Professional Summary

As a junior full stack developer and experienced English teacher, I am committed to honing my skills and expanding my knowledge. I approach web development with a focus on creating user-friendly websites that meet various business needs. My aim is to design practical websites, apps, and platforms that offer a competitive edge and contribute to business growth. In addition, I bring a wealth of experience in teaching English as a foreign language, with a track record of helping students improve their language skills. I am dedicated to pursuing continuous learning opportunities and applying my diverse skill set to contribute positively to organizational success.

Skills

Professional Experience

Backend Software Engineer
Personal Project | May 2023 – Present

- Designed, implemented, and monitored web pages, plugins, and functionality for continuous improvement.
- Planned website development, converting mockups into usable web presence with HTML, JavaScript, Node.js, and JSON coding.
- Coded websites using HTML, CSS, JavaScript, and jQuery languages.
- Collaborated with marketing, representing the web team to establish project goals, projections, and milestones.

- Oversaw technical issues and troubleshooting requests to resolve user problems.
- Redefined and recreated websites utilizing both front-end and back-end knowledge.
- Oversaw back-end development using Python, MongoDB NoSQL Databases to maintain website integrity.

Foreign English Teacher
English Time School of Foreign Languages | Izmir, Turkey | August 2022 – Present

- Provided one-on-one attention to each student while maintaining overall focus on the entire group.
- Educated students in the basics of English grammar and conversational speaking.
- Increased ESL students' reading levels by integrating online word games and altering lesson plans for students needing extra guidance.
- Developed activities and integrated technology to diversify instruction.
- Adopted new technologies and online platforms to facilitate student learning.
- Coached students on English pronunciation and intonation for eloquent conversation.
- Created and delivered engaging lesson plans to accommodate different learning styles.
- Assigned lessons and corrected homework.
- Demonstrated principles of subject material and advanced methods to students.
- Facilitated class discussions to help students work through questions and expand understanding.
- Prepared students for tests by teaching relevant concepts and enforcing good test-taking skills.

Foreign Language Teacher
AmericanLife Schools of Foreign Languages | Izmir, Turkey | 2022 – 2023

- Managed a class of diverse age and background with little or no prior skills in English.
- Designed lesson plans, classroom activities, and demonstrations to improve the language skills of students.
- Efficiently managed the responsibilities of multiple class sessions, ensuring even the weakest among them is not left behind.
- Managed private lessons and created unique teaching methods and styles to fit students of specific or special needs.

English Teacher
Darul-Hijra Remedial Class | Kumasi, Ghana | 2018 – 2019

- Taught and prepared students who failed in their first attempt in high school final exams.
- Identified and solved each student's weaknesses by conducting individual-based tests.
- Improved students' overall perspective to learning English, which brought an overall improvement in their scores and behavior.
- Administered spelling bee competitions and group work to enhance learning.
